Upper Deck: The upper deck has two Master Suites with king beds.

Dining Room: Cozy wood-paneled dining room with panoramic windows, air-conditioned, located on the upper deck at the back side of the ship with capacity for eight passengers. In addition, there is a fully stainless steel kitchen with see-through window, so passengers can enjoy watching the chef in action.

The M/V Delfin I is a three-deck, steel-hulled, trimaran river boat built in 1982 and completely refurbished in 2010.
